International Conference and Exhibition on

AQUACULTURE & FISHERIES

April 28-30, 2025 | Lisbon, Portugal

Registration Brochure

Aquaculture Horizons 2025

International conference & exhibition on aquaculture & fisheries (Aquaculture Horizons 2025) will be held in the vibrant city of Lisbon, Portugal, where the shimmering waters of the Atlantic meet the rich tapestry of aquaculture innovation. The Aquaculture Horizons 2025 promises to be an immersive exploration of the latest trends, breakthroughs, and sustainable practices shaping the future of aquaculture.

Renowned experts will delve into the latest advancements in sustainable aquaculture, exploring how innovative practices can ensure a harmonious coexistence with our oceans. A diverse panel of experts will explore the integration of cutting-edge technologies such as AI, IoT, and blockchain in aquaculture. Discover how these innovations are revolutionizing efficiency, traceability, and overall industry sustainability.

The conference also serves as a premier interdisciplinary platform for researchers, practitioners, and educators to present and discuss the latest innovations, trends, concerns, as well as practical challenges encountered and adopted solutions in the fields of aquaculture and fisheries technology. There will be speaker slots dedicated to Q&A sessions, ensuring detailed discussions on the topics and providing opportunities for active participation. Additionally, there will be captivating networking opportunities for all attendees. Given the high interest, we anticipate that the event will sell out quickly, so we encourage you to register early.
